COMPANY OVERVIEW

About Us

Excellent Way Group is a leading international logistics and cargo company with a rich history and a commitment to excellence. It began operations in 2007, with our headquarters strategically located in Dubai, United Arab Emirates (UAE), a global business hub. This prime location has enabled us to leverage the city's robust infrastructure and connectivity to serve our clients effectively.

In 2009, we expanded our footprint to Nigeria by opening our modern warehouse and office in Lagos, conveniently situated just a few minutes from Lagos International Airport. This was followed by the establishment of our Abuja office in 2010. Today, we have a strong presence in China, Turkey, and major cities in Nigeria (Enugu, Port Harcourt, Onitsha, Owerri, Kano, and Kaduna), with more locations planned for the future.
